Optional Flexibilities

Change Premium Payment Frequency

Accumulate Cash Bonuses (if any)

At any point during policy term, you shall have the option to accumulate the Cash Bonus (if any). AND SBI savings bank interest rate x 1.5 times). The SBI savings bank interest rate will be reviewed at the end of every quarter (i.e. on 1st April, 1st July, 1st October and 1st January every year).

Under extreme situation, the Company may in future change the reference rate from SBI savings bank interest rate to some other index, subject to prior approval of appropriate Authority. The current rate applicable is 4.05% compounding annually.

You can switch between regular payouts and accumulation, and vice versa any time during the policy term by informing us at least 15 days in advance of the next cash bonus payout date for the change to be effective. Once such a request has been raised, the next request can be raised only after 90 days from the previous request.

You will be allowed to withdraw up to 6 times in a Policy Year. The minimum withdrawal amount shall be ₹2,000 or balance accumulated cash bonus, whichever is lower.

Change Cash Bonus Payout Frequency

You shall have the option to change the Cash Bonus payout frequency. You can choose to receive these payouts on a monthly/ quarterly/ half-yearly/ annual basis. This change will be applicable from the next policy anniversary only. Once such a request has been raised, the next request can be raised only after 90 days from the previous request.

Choose To Get Cash Bonus On A Special Date

You can also choose to receive the Cash Bonus (if any) payout on any particular date other than the policy anniversary. This option should be selected at the time of making proposal and is only available if you select annual cash bonus frequency. This date will no longer be effective if you switch to any other cash bonus frequency later during the Policy Term.

In such a case, the Cash Bonus applicable for first policy year when it is due, would be calculated by pro-rating the annual rate by the number of days between the date of inception of the policy and the special date chosen by you.
