# BURGLARY INSURANCE POLICY

Comprehensive Protection Against Theft & Unauthorized Entry\*

## About the Policy

### Bajaj General Burglary Insurance Policy

provides financial security against losses due to burglary and robbery at insured premises. It ensures protection for valuable contents, property damage, and additional recovery costs arising from such incidents.

## Key Features

Protection for insured premises and business assets

Coverage for losses due to burglary and robbery

Indemnity for property damage during attempted burglary

Restoration costs for stolen electronic data and records

Efficient and transparent claim settlement process

## Scope of Coverage

### Debris Removal & Lock Replacement:

Covers the cost of clearing up after an incident and replacing damaged locks

### Property Damage Coverage:

Covers structural damage due to forced entry or attempted burglary

### Recovery & Restoration Costs:

Indemnity for restoring files, records, and employee belongings

### Loss or Damage to Contents:

Covers loss of business assets due to burglary or robbery

## Exclusions

The policy **does not** cover:

- ⊗ Loss of valuables unless explicitly insured
- ⊗ Damage where the insured or employees are directly involved
- ⊗ Loss due to natural calamities like earthquakes, floods, or storms
- ⊗ Damage caused by war, terrorism, nuclear risks, or civil disturbances
- ⊗ Financial losses due to business interruption or penalties
