

## **Product Recall Guarantee and Financial Loss Liability Insurance**

### **PROSPECTUS**

#### **This policy has following sections**

1. Product Liability
2. Product Guarantee
3. Financial Loss
4. Product Recall

#### **PRODUCT LIABILITY:**

The coverage under this protects the Insured from damages and costs arising out of a third party bodily injury or property damage due to usage of the product of the Insured or an act which has led to a sudden and accidental pollution.

#### **PRODUCTS GUARANTEE:**

The coverage under this protects the Insured from the costs of removal, recovery, repair, alteration, treatment or replacement of any Product which fails to perform the function for which it was manufactured, designed, sold, supplied, installed, repaired, dispatched or delivered by or on behalf of the Insured. The insured is indemnified only when it is absolutely necessary to repair, modify or replace such part/s because their usage or consumption (or continued use or consumption) may cause the Insured to incur a legal liability.

#### **FINANCIAL LOSS:**

The coverage under this protects the Insured for damages and costs and expenses arising as a result of any financial loss which is incurred by customers or third parties as a result of any Product which fails to perform the function for which it was manufactured, designed, sold, supplied, installed, repaired, dispatched or delivered by or on behalf of the Insured. The condition precedent to liability of the insurer is that it is established that, there is defect in the Insured's Product and it is absolutely necessary to recall such product(s) because their usage or consumption (or continued use or consumption) may cause the Insured to incur a legal liability.

#### **PRODUCT RECALL:**

The Insurance protects the Insured from incurring the cost of recalling a product which is identified as a possible cause of damage or injury which has occurred or has a potential to occur.

The Insured is also indemnified for any Recall Expenses that have been incurred by a customer of the Insured in the event that the Insured's Product becomes a part of a product manufactured and/or sold by such customer and the Insured is legally obligated to reimburse such customer. It is established that it is necessary to recall any such products because their usage has caused and/or may cause to incur legal liability arising from accidental bodily injury (including death, illness or disease to any person) and/or accidental loss of or damage to material property.

The costs associated with recalling include the cost of transportation, storage and destruction of the product apart from public relations cover to guard your firm and product reputation.
